Phase Two - Needs You!

To make Lempster's Meeting House more usable and accessible, the Friends of the Lempster Meeting House (FLMH) needs your help to install ...

- ★ a water well
- ★ a septic system
- ★ an accessibility ramp
- ★ an indoor restroom (hallelujah!)
- ★ a fire detection & warning system
- ★ granite steps (replacing temp. wooden set)
- ★ granite fascia on exposed concrete foundation

Return this community icon to comfortable, daily use through your essential, ongoing support. Phase Two work begins as funds allow – hopefully with spring thaw, 2010! (see inside)

Standing for our Community since 1794

The Lempster Meeting House

Congratulations!

Generous financial support from you and many of your friends and neighbors – matched by a grant from the New Hampshire Land and Community Heritage Investment Program (LCHIP) – allowed critical Phase One stabilization of Lempster's 1794 Meeting House to be completed in 2009. Thanks to everyone who participated, our town's historic community centerpiece now stands proudly atop a solid foundation with a full, dry basement!

There's more in Lempster's wind!

Upon this concrete base, restoration work continues anew in 2010 with Phase Two of a long-range, five-part revitalization plan. This phase – to make the Meeting House more usable and accessible – has a budget of \$90,000. FLMH needs your help both financially and through in-kind efforts!

Follow the restoration at Lempsternh.org. Share your favorite/old Meeting House images and recollections by emailing them to Lempsterwebmaster@mac.com. Indicate and mail your support today! Thank You!

The Friends of the Lempster Meeting House, a 501(c)(3) organization, was formed to assist the Town of Lempster in raising funds solely for the conservation, restoration, and rehabilitation of the Lempster Meeting House, a landmark building constructed in 1794, which is listed on the National Register of Historic Places, and is one of only five meeting houses of its kind remaining in New Hampshire. The goal is to make the Lempster Meeting House a resource for the entire community, to preserve it as a landmark for the State of New Hampshire, and to set up a stewardship program to oversee its continued maintenance and repair in the future.
